Red Hat Certification Tracks

Global Knowledge has partnered with Red Hat® to bring you the power of Red Hat Linux™ training and certifications. You'll receive Red Hat training from Red Hat instructors as well as preparation and exams for Red Hat's RHCT, RHCE, RHCA, RHCSS, and RHCDS certifications. For more information on how these tracks can help you meet your career goals, visit us at www.globalknowledge.com/redhat or contact a training advisor at 1-800-COURSES.

RHCT – Red Hat Certified Technician

Red Hat Certified Technician (RHCT) began in January 2003 and now with more than 15,000 certification holders, has quickly become regarded as the best first step in establishing Linux credentials. This is an ideal initial certification for those transitioning from non-UNIX/Linux environments.

RHCT Courses

RH033 Red Hat Linux Essentials

For individuals with no command-line experience in Linux or UNIX who want to develop skills for using and customizing Red Hat Enterprise Linux workstations.

RH133 System Administration

For users of Linux/UNIX who want to start building skills in systems administration on Red Hat Enterprise Linux to a level where they can attach and configure a workstation on an existing network. The final day includes the RH202 RHCT Certification Lab Exam.

RHCE – Red Hat Certified Engineer

Red Hat Certified Engineer (RHCE) began in 1999 and has been earned by over 20,000 Linux experts. Independent surveys have ranked the RHCE program as #1 overall for all of IT. In fact, CertCities.com recently named RHCE the #1 "Hot Cert" in all of IT.

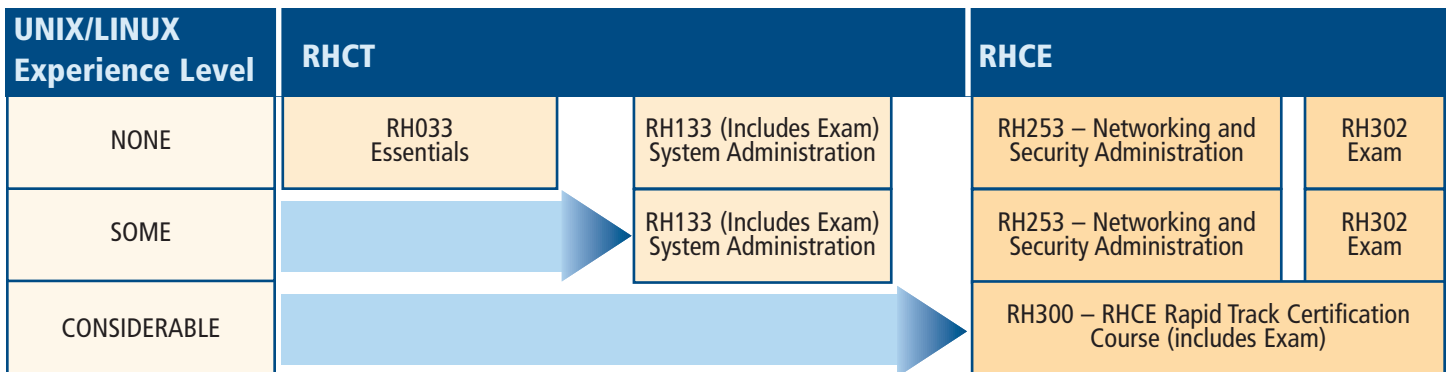

RHCE Courses

RH253 Red Hat Linux Networking & Security Administration

Teaches skills necessary to setup a Red Hat Enterprise Linux server and configure common network services and security at a basic level.

RH300 RHCE Rapid Track Course

Designed for those who already possess significant systems administration experience and knowledge in a Linux/UNIX environment, and who desire the fastest path to RHCE certification. The final day includes the RHCE Exam.

RHCA – Red Hat Certified Architect

Red Hat Certified Architect (RHCA) is a capstone certification to Red Hat Certified Engineer (RHCE) and Red Hat Certified Technician (RHCT) – the most recognized, acclaimed, and mature certifications in the Linux space.

RHCA Courses

- RH401 Red Hat® Enterprise Deployment, Virtualization, and Systems Management
- RH423 Red Hat® Enterprise Directory Services and Authentication
- RH436 Red Hat® Enterprise Clustering and Storage Management
- RH442 Red Hat® Enterprise System Monitoring and Performance Tuning
- RHS333 Red Hat® Enterprise Linux Security: Network Services

RHCA Exams

- RH401 Red Hat® Enterprise Deployment, Virtualization, and Systems Mgmt Exam (EX401)
- RH423 Red Hat® Directory Services and Authentication Exam (EX423)
- RH436 Red Hat® Clustering and Storage Management Exam (EX436)
- RH442 Red Hat® System Monitoring and Performance Tuning Exam (EX442)
- RHS333 Red Hat® Enterprise Security: Network Services Exam (EX333)

RHCSS – Red Hat Certified Security Specialist

Red Hat Certified Security Specialist (RHCSS) is a new security certification that proves advanced skills in using Red Hat Enterprise Linux, SELinux, and Red Hat Directory Server to meet the security requirements of today's enterprise environment.

RHCSS Courses

- RH423 Red Hat® Enterprise Directory Services and Authentication
- RHS429 SELinux Policy Administration
- RHS333 Red Hat® Enterprise Linux Security: Network Services
- RHS435 Red Hat® Enterprise Certificate Management

RHCSS Exams

- RH423 Red Hat® Directory Services and Authentication Exam (EX423)
- RHS429 SELinux Policy Administration Exam (EX429)
- RHS333 Red Hat® Enterprise Linux Security: Network Services Exam (EX333)

RHCDS – Red Hat Certified Datacenter Specialist

An RHCDS has the skills and knowledge necessary to build reliable, available, scalable, and manageable solutions in mission-critical data-center environments using fully-supported open source technologies from Red Hat. Red Hat Certified Datacenter Specialist (RHCDS) is an upper-level credential an RHCE can acquire by earning the following Certificates of Expertise:

RHCDS Courses

- RH401 Red Hat® Enterprise Deployment, Virtualization, and Systems Management
- RH423 Red Hat® Enterprise Directory Services and Authentication
- RH436 Red Hat® Enterprise Clustering and Storage Management

RHCDS Exams

- RH401 Red Hat® Enterprise Deployment, Virtualization, and Systems Mgmt Exam (EX401)
- RH423 Red Hat® Directory Services and Authentication Exam (EX423)
- RH436 Red Hat® Clustering and Storage Management Exam (EX436)
